# COATS CWA 6500 3D WHEEL ALIGNER

Providing alignments is a considerable source of income for today's modern shops. That's why Coats® offers the CWA 6500 3D Aligner. It has all the core functionality that you need to get started right at your fingertips.

- Multiple compensation modes to make getting readings on heavy vehicles easy without having to roll vehicle excessively far.
- Comes with both self-centering clamp and exclusive tire gripping adapters to ensure both accurate reading and fast operation.
- Two wheel alignment mode for setting total toe on large trucks no rear targets required.
- Standard VIN scanner for time savings and ease of vehicle selection.
- Mobile cabinet supports using aligner in multiple bays.
